# Guess Who? - Page 1

Grab your detective's hat and polish your magnifying glass, it's time to get guessing... Draw or dress up as your favourite book character and play a giant game of 'Guess Who?' on the floor!

How do I play?

1. Print out the coloured or blank character card templates on pages 2 and 3.

2. Draw your character or dress up as your character and glue a photo is the image box.

3. Create multiple character cards. We recommend having at least 15 characters to choose from.

4. Place all of your characters on the floor in rows to create a giant game board.

5. Take it in turns to choose a book character from the board and keep them in your head (don't tell anyone who you've picked!)

6. The other players have to then ask 'yes' or 'no' questions to whittle it down to just a few characters.

7. Whoever guesses the character correctly first, wins! Guess incorrectly and you're out.

Here's an Idea!
Why not use junk modelling to make your own character outfits if you don't any costumes to hand?
